Maps and information will be available at registration

### Corning Museum of Glass Guided Tour

**\$4.00**

Limited to 20 per group, multiple groups will be conducted. 2 - 3:30 p.m.

Enjoy a guided tour throughout the campus of The Corning Museum of Glass! From the glass head of an Egyptian pharaoh to masterpieces by Tiffany and Chihuly, there's something for everyone. The Museum's knowledgeable Docents will offer invaluable information about the collections as they guide you through the Museum's Glass Collection Galleries. Your tour will include three very important exhibitions:

- Voices of Contemporary Glass: The Heineman Collection
- Tiffany Treasures
- Medieval Glass for Popes, Princes, and Peasants

You will attend a Hot Glass Show with a live, narrated glass-blowing demonstration, and tour the Glass Innovation Center, an interactive, high-tech science and technology experience celebrating the past, present and future of glass technology.

End your tour with a unique shopping experience at the GlassMarket!

### Benjamin Patterson Inn Museum

**\$4.00**

2:00 - 4:00 p.m.

The Benjamin Patterson Inn was built in 1796. Benjamin Patterson and his wife, Sarah Patterson, were the first Innkeepers. Tour the first tavern in the Lands of the Painted Post. The Williamson Road, now known as Route 15, along with the Chemung River was the frontier highway. These two routes of travel allowed people to come to this region to buy land from the Pulteney Estate. The Pattersons welcomed the weary travelers with a place to sleep and a hot meal.

While here you will see:

- The Tavern or Tap Room, visitors and guests socialized and conducted business
- The Dining Room where meals were served from the kitchen
- The Kitchen, with a working open hearth fireplace
- Long Room, an extensive collection of textile equipment
- The Guest Quarters, portrayed c1800
- The Patterson's Quarters, where the Innkeepers family lived

While at the Patterson Inn Museum please visit:

- The Wixon Road Log Cabin, circa 1855
- The Browntown Schoolhouse, circa 1878
- The Starr Barn, agricultural exhibit
- And the Blacksmith Shop

Also check the progress of the Cooley Blacksmith Shop restoration; moved to the museum grounds June, 2009 from Beaver Dams, NY. Take some time to walk around the grounds while visiting the other buildings on this site to see our Herb Garden.
