INTRODUCTION

This is the 26th edition of the New York State Library Assistants' Association Membership Directory. This directory includes 276 members representing 137 individual libraries from different 108 institutions. It continues to provide a network for communication among us all, which enables us to further our personal growth.

I would like to thank Ruth V. Oberg for her help with proofreading.

This directory has been made available online in a continuing effort to become more “green”. A limited number will be printed for archival purposes and upon request for those who do not have online access.

The Executive Council page reflects the officers in place for the 2018 membership year. The directory itself is divided into 3 sections. The first section is the Membership Alphabetical Listing. This section contains the members for the 2017 membership year in alphabetical order and lists their title, years of membership, Certificate of Achievement reference for those who have earned theirs, institution, library, work phone number and email address if one has been provided. If a member has retired, we’ve listed the institution where they were working when they retired. The second section, or Institutional Alphabetical Listing, is a list of all represented institutions in alphabetical order with libraries, addresses and respective members. The Regional Index is third and is much the same as past years. It is followed by the New York State Regional Map. Also included, are three pie charts and a graph, located in related areas of the directory, so you can see where you stand in the membership ranks as far as years of membership, type of institution and representation from your region. On the Regional Representation pie chart the regional names are included for clarification.

Any comments or suggestions that will enhance future editions would be appreciated. Please feel free to contact me if you see any corrections that need to be made or have any questions.

Respectfully,
Donna Hanna
NYSLAA Membership Secretary
& Chair of the Membership Committee
