Committed to preserving the only existing weighlock building in the United States, the Erie Canal Museum collects and conserves Canal material, champions an appreciation and understanding of Erie Canal history through educational programming and promotes an awareness of the Canal's transforming effects on the past, present and future.

Salt Museum (limit 25)

1:30 p.m. \$5.00

Meet at the registration table at 1:00. Tour group leaves promptly at 1:15 p.m.

Discover the industry that created the City of Syracuse and supplied the entire nation with salt! Explore the site of an original boiling block where brine (salt water) was turned into what was then considered one of the country's most precious commodities. See the actual kettles, wooden barrels and other equipment that were used in this fascinating process which came to an end in the 1920's.
