

Important information you need for the NYSLAA 2019 Conference

If you would like to sign up for a NYSLAA Certificate of Achievement one-to-one consultation at the conference, contact Michele Matthews to set up an appointment. Call (518) 276-8330 or email prendm@rpi.edu.

\$\$\$ The 2019 Conference Committee is carrying on the ever popular lottery tree tradition. Bring a New York State Lottery scratch off ticket to put on the tree. More tickets mean more fun and more potential for a big win! Ticket donors will receive one raffle ticket for each dollar value of the lottery ticket they donated, **up to \$5.** \$\$\$

Don't forget, if you purchased a NYSLAA permanent **Name Badge Holder**, bring it with you. If you would like to purchase one they will be available at the Registration Table for \$3.00.

For directions go to the **Ramada on the Lake**, Geneva website and click on "Map & Directions".

If you renewed your membership with your conference registration or around the same time and did not already receive your membership card and letter, they will be included in your registration packet.

If you've signed up for a tour on Wednesday, you will need to be in the area near the registration desk no later than 12:30 pm for the Smith Opera House Tour, 12:45 pm for the Winery/Distillery Tour, 1:30 pm for the White Deer, Seneca Depot tour.

Want to help support local interests? Our Community Outreach committee is supporting these local organizations. Please help out one or more of the following:

We are collecting non-perishable items, toiletries, and Clorox wipes for the **Center of Concern**. Look for the designated boxes near the registration desk to make your donation.

We will also be collecting for the local Animal Shelter, **Beverly Animal Shelter**. They need cleaning products, canned food for dogs and cats, litter, and clean linens. Again, there will be designated boxes for these items near registration.

We are collecting new and gently used children's books for **Golisano Children's Hospital**. These are given to outpatients ages newborn up through middle school. They also are asking for **Character Bandages**. They **MUST** be **Latex Free**.

We are again collecting homemade blankets for **Project Linus**, a non-profit organization, that provides blankets to children in need. All blankets must be **homemade** and at least 36x36 inches but no smaller. This is a fun project to work with a group on, like a women's committee. More details at <http://projectlinus.org/>

If you've collected toiletries from your travels that you'd like to donate for the homeless and women's shelters, we will also have a box for these items at registration. If you are staying at the hotel, please bring over your extras **daily**.

If you cannot bring any donations but would like to contribute, we will have a donation jar for all the above at the registration table for cash or checks made payable to NYSLAA. There is also a **Donate to NYSLAA** button on the nyslaa.org home page using **PayPal**.
